Up Your Investment Portfolio

with local renewable power

SOLAR POWER INVESTMENT COOP OF EDMONTON

Spin-off from SESA

- Started about 4 years ago
- Incorporated in May 2015
- In discussions with CoE and the EFCL for projects summer 2016
 - 50% of funding already in place
 - Multi-year program
 - 300kW to 500kW installed in 3 years

The logo for the Solar Power Investment Cooperative of Edmonton (spice) features the word "spice" in a lowercase, sans-serif font. The letters are filled with a pattern of small, golden-brown solar panels, giving the text a textured, grid-like appearance. The background of the logo is white.
